**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Right now I am paying ALREADY \$75/mo for SHITTY residential internet service. Local carriers, like Sonic here in the Bay Area, are the ONLY WAY I'm able to stay connected. For this U.S. veteran with disabling PTSD and other diseases, I NEED MY INTERNET SERVICE.

The U.S. government is already putting my HOUSING, my SOCIAL SECURITY, and my MEDICAL CARE at risk. And for what?

There is no explanation for why you are doing this except to make more billionaires more money. SHAME ON YOU.
